Civilized man leads an unnatural and an unhealthy life. Unlike the Indian if he would maintain his physical and mental would maintain his physical and mental health, he must take reasonable precautions to combat disease. Nearly all diseases have their inception in disorders of the digestion, torpidity of the liver and impurity of the blood. Dr. Pierce's Golden Medical Discovery is made of simple herbs. It restores the lost appetite, makes digestion and assimilation perfect, invigorates the liver, purifies the blood and promotes the natural processes of excretion and secretion. It sends the rich, red, life-giving blood bounding through the arteries and corrects all circulatory disturbances. It dispels headaches, nervousness, drowsliness, lassitude, and drives out all impurities and disease germs. It cures of percent of all cases of consumption, bronchitis, asthma and diseases of the air-passages. It gives sound and refreahing sleep, drives away all bodily and mental fatigue and imparts vigor and health to every organ of the body. Medicine dealers sell it, and have nothing else, "just as good."

"A few of my symptoms," writes Charles Book, of Climax, Kalamasso Co., Mich., "were heart-burn, fullness after eating, pain in my bowels, bad taste in my mouth, and occasional fever and hot flushes. Dr. Pierce's Golden Medical Discovery cured all these and I am perfectly well."

Dr. Pierce's Pleasant Pellets are sure, speedy and permanent cure for constipation. One little "Pellet" is a gentle lake tive and two a mild cathartic. They never gripe. Found at all medicine stores.
